vitality

Powerful blending performance for fast-paced, high-volume businesses.

HBH650 Series

Tempest® Blender

Wave~Action® System - Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades. The Wave~Action® System has a unique container and blade system for smooth results every time.

12 Second Daiquiri - When thirsty customers are waiting, you can blend 0.5 L drinks in 12 seconds flat.

Super-Creamy Drink Profile - The Wave~Action® System, along with speed and blade design, break down ice from a granita texture to a creamy drink profile.

Two Speeds, Jump Cycle & Pulse Button - Offer precision blending for a wide variety of drink mixtures.

Timer with Automatic Shutoff - Indispensable for busy bars, it frees operators up for other tasks.

3 Hp Motor - Built with a durable all-metal drive coupling to satisfy the demands of the busiest bars.

1.9 L Stackable Container - Break-resistant polycarbonate container with easy-to-read measurement marks.
